

**Memory Game****For 2 players**

1. Use glue to paste the sheet of game cards (next page) on a piece of cardboard.
2. Leave it to dry. Cut them out.
3. There are 10 pairs of picture cards of things found in the school. Shuffle and place them face down.
4. Each player takes a turn to open two picture cards. Try to match the cards with similar pictures.
5. If the two picture cards chosen are the same, the player gets to keep both of them.
6. If the two picture cards chosen are not the same, place them face down again. Let the next player try to get two similar cards.
7. The player who collects the most pairs of picture cards is the winner.
