

# 5

## LIGHT ENERGY

**Follow the instructions and refer to the illustrations. Guess the animal formed by your hand shadows.**

Things you will need:

1. A screen such as a plain wall or a white cloth
2. A torch

What to do:

- A. Stretch out your right hand. Keep your fingers close together. Stretch out your left hand. Bend your left thumb outwards. Double your forefinger. Your left middle finger should rest on the first finger of your right hand.

Answer: \_\_\_\_\_

- B. Stretch both your thumbs and hook them together. Keep your fingers pressed tightly together.

Answer: \_\_\_\_\_

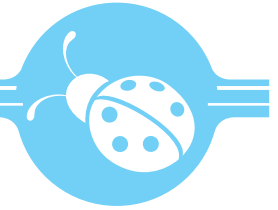

- C. Bend your right hand. Stretch your third and fourth fingers horizontally. Bend the first and second fingers so that your thumb rests loosely on their tips. Hold your left hand easily at the crook of your elbow.

Answer: \_\_\_\_\_
