

Model Composition 2 – My Pet Parrot

My parrot is Suzie. It has green and yellow feathers. I bought it from the pet shop one year ago. In the beginning, Suzie was very quiet. I was worried that it would not be able to talk. I tried to teach it some words. I was happy when it learnt very fast. Now it can say 'good morning', 'hello' and 'goodbye'.

It can also sing. I taught it to sing my favourite songs. Now, it can sing very well. When my friends come to my house, it always sings for them.

Suzie goes into its cage at night. In the day, it is on a play stand. I hope that Suzie will live for a long time.
