ANSWERS TO WRITING POEMS

1. **S**cores of people
Under the orange sky
Night is arriving
Sun is at the horizon
Extending a warm glow over everyone
Thrilled to see the wonder of nature.
2. **M**assive moulds from the earth
Often climbed by people
Unnerving for some
Natural habitats for some animals
Train tracks go around them
Apex reveals beautiful scenery
Interesting to explore
Navigation is challenging
Studied by scientists.
3. **D**iamonds of nature
Evaporate quickly
Wet and glistening
Drip down from the leaves
Represents the start of a new day
Often go unnoticed by people
Proof that morning has arrived
Source of water for gibbons.
