

WRITING A SPEECH

A person gives a speech in front of an **audience**. It is important for the audience to understand what the person is saying. In the speech, include the following:

- greeting and introduction
- purpose of the speech
- clear and concise information

You are **one of the two nominees** to run for **class monitor** in the new semester. You have to prepare a speech of about three minutes to **convince** your classmates why they should **vote** for you.

ANSWERS TO WRITING A SPEECH

Good afternoon, Mr Engel and fellow classmates. Today, I am here to tell you why you should vote for me as the class monitor. I promise to take good care of the class when the teacher is not around. I will also act as a mediator in cases where there are disagreements in the class. I promise to listen to both sides and help to think of a fair solution to any problems. I will also help anyone who needs extra help with his work. Furthermore, if any of the teachers needs help, I promise to be a good and prompt helper. Do vote for me. I promise to be a good role model for everyone. Thank you.
