

## Lesson Plan For Lesson 13

40 min

**Theme: I Have a Question**

**Focus: The Present Perfect Tense – Question Form with ‘Ever’**

### Lesson Objectives

Students are able to

1. ask questions about others’ experiences,
2. complete questions using the present perfect tense.

### Resources

*(Preparation to be done before the lesson)*

1. Learning Grammar Workbook 4
2. Cards with answers to questions with ‘ever’
3. A bag to put the cards
4. A small ball

### Introduction / Warm-up Activity (5 min)

1. Ask your students questions about places they have visited.

*Example:*

- Have you ever been to Universal Studios?

2. You may want them to provide answers in complete sentences.

*Example:*

- Yes, I have.

3. You may want to invite two students to the front of the class each time and get one of them to pretend to be a reporter. You may want to tell them to ask questions related to types of food they have eaten, types of animals they have seen etc.
4. Write the questions on the board.

### Lesson (10 min)

#### The Present Perfect Tense – Question Form with ‘Ever’

1. Explain to the students that questions using ‘ever’ are used to ask about people’s experiences.
2. Direct the students to **page 63 of Learning Grammar Workbook 4**. Read the examples to them. Highlight the way the sentences are structured.
3. Get students to come up, one at a time, to pick the cards from a bag. The student reads out the answer. Then call on another student to form a question for that answer. For example, if the card states ‘Yes, I have ever carried a hamster.’ The other student must then ask, “Have you ever carried a hamster?” etc.

### **Classroom Activities / Assessment (15 min)**

1. Let the students complete **Exercise 40 and 41, pages 64 – 65** on their own.
2. Facilitate the students' learning by walking around to check their answers.

### **Additional Activities / Closure (10 min)**

1. Using a small ball, toss it to a student and ask a question using 'ever'.

*Example:*

- Have you ever drunk a strawberry milk shake?

The student has to catch the ball and toss the ball to another student. He asks the same question together with another question he constructs, for example, "Have you ever drunk a strawberry milk shake? Have you ever gone on a cruise?"

2. You may want to correct your students if they use the wrong form of the verb.

### **Optional Activities**

1. You may want your students to come up with a list of 5 – 7 interview questions. Get them to ask their friends and family members these questions. Get the students to collate their findings and share them with the class.
2. Alternatively, you may want them to do a more detailed survey. Give them categories such as 'food', 'recreation' etc and get them to form questions using 'ever' in each category.
