About This Book

Writing meaningful sentences and building grammatically correct language structures are important aspects of English learning. Good writing skills enable one to communicate effectively.

**700 Questions**
70 exercises, 10 questions each: 63 focussed exercises and 7 revision exercises on the use of sentence connectors including coordinating, correlative and subordinating conjunctions, linking adverbs and transition words.

**Example**
An example is provided at the start of each exercise as a guide for students.

**Specific Focus**
The exercises are grouped according to question types and/or sentence connectors introduced in the book for focussed learning.

**Performance Record**
Incorporated in the Contents page, the Performance Record gives students a quick and easy way to track their progress.

**Tear-out Format**
Perforated, the pages can be easily removed for use as tests or worksheets for classroom or home learning.

**Answers**
Answers are provided at the back of the book for quick and easy assessment.
